*200 Club
of Sussex County*

The 200 Club began in 1952 by William Packer of Palmer Park, Detroit. Packer personally assisted the family of a fallen police officer and when it became known of his donation, other individuals also assisted the family.

Later that year, Packer established the first 200 Club with funds that were donated by concerned individuals. In July 1953, Arthur Meyers a motorcycle patrolman in Michigan was gunned down in the line of duty. The 200 Club which Packer established assisted the Meyers family by paying off their mortgage and establishing scholarships for their children.

Since 1952, The 200 Club has established 118 clubs in in 28 states. There currently are 18 clubs in the state of New Jersey. The 200 Club is also established in Puerto Rico and Central America.

The 200 Club of Sussex County generates its income exclusively from dues and the support of our members. As a member you will receive a membership card and a windshield sticker. The 200 Club of Sussex County is proud of our relationship with law enforcement, fire and emergency services.
